NEW

Thanks to a **BREAKTHROUGH** in printing technology and 3-dimensional computing, we are pleased to announce the availability of top quality Footbags (a.k.a. Hacky Sacks) in **Full Process Color Printing!**

A variety of panel configurations are available with our professional grade Footbags.

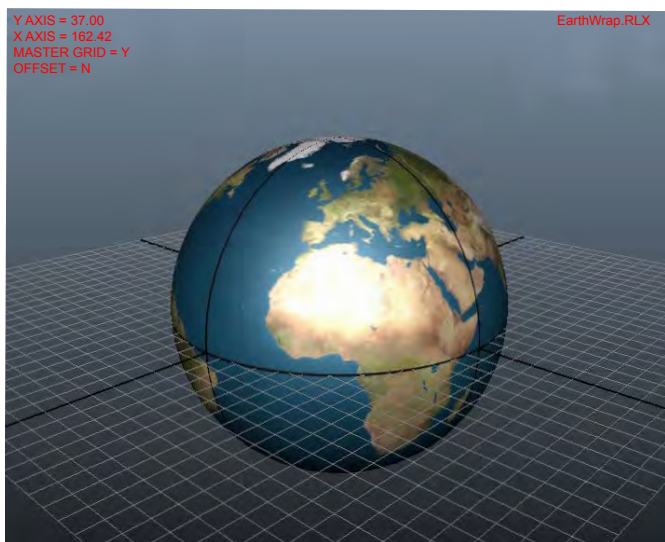

- Utilize full color sublimation printing that permits high quality logos and images, even photos, to be wrapped on to each panel of our classic paneled Ultrasuede Footbags.

- Produced in several different panel configurations including the popular 4, 5, 8 and 12 paneled models each offering skill advantages to actual players.

- Offered to the promotional market by the largest manufacturer of **Footbags** in the world! All our **Footbags** are hand-stitched and constructed under socially responsible conditions to result in a stunning 4 color output!

Never before has Full Color Customization been offered to such a high degree on so popular an item cherished by the challenging teenage demographic.

Don't be fooled by low-priced promotional vinyl replica Footbags or Kick Balls made overseas that are pad printed in the USA. These are cheap throw-aways that can't be used in the game of Hacky Sack thus have little to no promotional value. Rather, you can offer **Real Footbags** that are soft, playable and made to order.

Thanks to our new CAD design capabilities and services using full 3 dimensional software your image can be shaped and literally "wrapped around" your custom Footbag.

Note the realism on these actual Footbags. Imagine your own wrapped image or picture!

To be first to market often brings a tremendous amount of added attention. Our new Full Process Color option on our Footbags will surely gain points with your customers.

Don't forget about our ever popular and patented **Embroidered - Crocheted Footbags** which are perfect for promoting your colorful message with the teen and young adult demographic.

There simply isn't another choice of Suppliers!

An easy way to purchase Pickleball gear is to get a Pickleball Paddle Set for your customers. We have several Pickleball Paddle Sets for ease of choice. All Sets come with 2 paddles, 2 balls and a carry bag.

- First, choose your Pickleball Paddle quality (wood, fiberglass or carbon fiber).
- Then choose the desired color of your Pickleball, and whether you want an indoor ball (26 holes) or outdoor ball (40 holes).
- Next, choose the carry bag for your Paddle Set.
- Finally, decide on customization. Both the Pickleball Paddles and Paddle Bags can be logoed. Templates are available for all. Many custom designs are available for the Paddles if only the Paddle Bag is to be logoed.

If you want to add additional Paddles, Balls or Neoprene Paddle Covers, just order the extra items ala carte and we will package the additional items in each Set at your request.

For instance, if you want 4 Paddles, 4 Balls in your set, we will package and ship your Sets

PPKG4

Our most popular Pickleball Paddle Set includes 2 lightweight Fiberglass Paddles, 2 Balls and Tote Bag made of Oxford Cloth that is easy to carry. Tote Bag and paddles are logoable.

Anti-slip elastic perforated & corrugated racquet grip helps hands hang on even when sweating.

Our best Pickleball Set includes Carbon Fiber Paddles, 2 balls and a Pickleball Backpack that can carry up to 4 Paddles, 4 Balls and other gear like a water bottle.

PPKG1

Our least expensive Pickleball Paddle Set includes 2 Wood Paddles, 2 Balls and a simple Nylon Cinch Bag with sturdy string straps suitable to sling over one's shoulders. Paddles & Cinch Bag is logoable.
